To whom it may concern,

It is my pleasure to write this letter of recommendation for White Sands Construction. I have worked with White Sands Construction since June of 2018 at Fire Station 2 from the beginning of this project to the finished product.

Catlin Curry and his team are very professional and attentive to the needs of this Fire House and the community it provides. I would like to recognize the outstanding work and follow through of all who worked on this project.

I would like to say Thank you on behalf of the Village of Ruidoso and the Fire Department for a job well done.

Best regards,

Cody Thetford
Fire Chief
