HOLIDAY INN EXPRESS & SUITES  
ALAMOGORDO HWY 54/70

To whom it may concern,

Please accept this letter as my recommendation of White Sands Construction, Inc for any construction projects. I had the pleasure to work with them on our Holiday Inn Express & Suites renovation over the past 9 months.

I have worked with many construction companies as an owner's representative and managing partner over the last 10 years. White Sands Construction did an exceptional job for our renovation project. The experience I had with the entire staff of White Sands Construction was superior to many of the other companies we have worked with in the past. Catlin Curry was always on point and expeditious the entire project. Ray Fletcher the site supervisor was highly experienced and knowledgeable. Together they finished the renovation swiftly and the quality of work was exceptional. I look forward to working with them on future projects.

If you have any additional questions please feel free to contact me. White Sands Construction is an outstanding organization. The completed project is wonderful and I welcome you to take a tour with our staff.

Thank You,
