Mr. Catlin Curry

**RE: Letter of Recommendation
White Sands Construction**

To whom it may concern,

I have worked with White Sands Construction over the last two years working directly with Mr. Catlin Curry on corporate retail store builds in the New Mexico and West Texas markets. Catlin and the entire White Sands Construction team are very professional and highly skilled. Their team provides excellent results on budget and on schedule with clear and concise communication throughout all phases of the project. White Sands Construction works seamlessly with Verizon, Verizon's vendors, architects, inspectors, and landlords allowing for a streamlined construction process resulting in high quality results.

I give Catlin and his team the highest recommendation and look forward to building a long standing relationship with White Sands Construction. White Sands Construction is a valuable member of my team and I believe that they will be a valuable addition to your team.

Please feel free to contact me with any questions that you may have or to discuss my experiences with White Sands Construction in further detail.
