White Sands Construction

1700 E.10th St., #A

Alamogordo, NM 88310

Attn: Mr. Catlin Curry

On behalf of St. John's Episcopal Church I thank you for your excellent work remodeling and converting our Parish Hall restrooms to make them accessible to all of our members and the patrons of our Community Kitchen. We greatly appreciate the work being done in a timely manner, and we are pleased by the excellent quality of work and the close attention to detail. The site was kept clean and organized and was totally clean when the job was finished. We were also pleased by the professional manner of the workers.

Mr. Eugene Varbel, Project Manager, and Mr. Alex Wilson, Superintendent, were very efficient, pleasant, considerate and agreeable when advising and working to meet our particular requests and changes.

Thank you for your excellent service.

Sincerely,

Ann Bagby,

Jr. Warden, St. John's Episcopal Church

Alamogordo
