To whom it may concern:

I recently had the pleasure of working with White Sands Construction, Inc., as they built the new MVRDA 911 Call Center for Dona Ana County in Las Cruces, New Mexico.

I have worked with many construction companies while in position for 29 years. None of them have measured up to the experience that was witnessed with White Sands Construction, Inc. Project Manager; Catlin Curry was in constant contact throughout the entire project. With the assistance of Site Supervisor, Steve Malett, the quality of work was outstanding. I look forward to working with them again in the near future.

Please feel free in contacting me directly with any additional questions. I would be more than happy to volunteer my time in order to support such a top-notch organization.

Please feel free to contact me at 575-525-6182 or armandoc@donaanacounty.org

Thank You.
