To whom it may concern,

This is to attest to the participation of Ms. Kimber Parsons in a LEED registered project.

1014 South Main  
Suite A  
Las Cruces  
New Mexico  
88901

White Sands Construction Company is the General Contractor for our Health Sciences building at New Mexico State University - Alamogordo. As Contract Administrator for the project, Ms. Parsons has been directly involved in the necessary submittals and documentation required for the construction - phase prints, and has been completing the associated templates.

The goal for the project is a Silver Certification. The construction period was from August 2008 to June 2009.

Sincerely,

Gary C. Williams, AIA, LEED
