To whom it may concern:

As the County Manager for Lincoln County, I recently had the pleasure of working with White Sands Construction, Inc., as they built a new Senior Citizen's Center in the Hondo Valley.

Project Manager, Zeek Greer was in constant contact throughout the entire project. As a proactive company, solutions were presented for any challenges that arose. The entire construction schedule was monitored and followed with enormous attention to detail.

I look forward to working with them again in the future.

Please feel free in contacting me directly with any additional questions.

Thank you,

Ira Pearson
