Re: Letter of Reference  
White Sands Construction Co. Inc.  
1700 10<sup>th</sup> Street  
Alamogordo, New Mexico 88310

This letter is to document that White Sands Construction recently completed the construction of the Scott Park Concession Stand and Bathroom project. This project was to construct a concession stand building to include: storage rooms, men's and women's ADA bathrooms, family bathroom, all utilities, drainage structure and sidewalks. Total cost for construction was \$855,714.88.

Contractor completed all work in a timely manner, with professionalism and quality of work was satisfactory. Currently the Town is in the one year warranty period and White Sands Construction has responded promptly to all concerns.

I recommend White Sands Construction Co. Inc. for this type of work and would certainly do additional work with them in the future.

Respectfully Submitted,

Alex C. Brown, Town Manager
