To whom it may concern:

I recently had the pleasure of working with White Sands Construction, Inc., as they built the our new office and administration building here at Christ Community Church, in Alamogordo, New Mexico.

We have worked with many construction companies over the 44 years this church has been in Alamogordo, and we highly recommend WSCI.

Catlin Curry was and is always available to adjust anything or to answer any questions throughout the duration of the project. He always went above and beyond to help us know what we were doing.

We have been in our new addition for 5 months now, and we are beyond pleased with everything, start to finish. We look forward to partnering with WSCI in the near future, as we set out to make more improvements to our facilities.

I'd be happy to verbalize this recommendation. So, please feel free in contacting me directly with any additional questions.

Sincerely,

Timothy J. Brock  
Senior Pastor at Christ Community Church
