Re: White Sands Construction Letter of Recommendation

To Whom It May Concern:

United Fashions of Texas had the privilege of working with Catlin and Dakota at White Sands Construction while opening a store in the Spring of 2017 in Carlsbad, New Mexico. We have found that anyone you are working with at White Sands Construction is a person that you can trust and believe. Not only did they finish their work and punch list on time but each person was careful to make sure that we were happy with the work.

Today we are looking at opening stores in Alamogordo, Roswell, and Clovis, New Mexico and the first call we make to the Landlord is to request that White Sands be the General Contractor for that particular location.

I highly recommend to any retailer and developer that they ask White Sands to be the GC for any and all work in New Mexico. In fact, we are hoping that they will even consider working for us in Texas and Arizona.

If you would like to talk to me about these folks, please call me at 210-424-8011 and I will give them the highest of recommendation.

Thanks
