Dear Mr. Crimmins and White Sands Construction,

Thank you for your donation of 5 cases of hotel soap to Operation Soldier Smiles. This donation assures us that we will not have to buy soap for our care packages to our deployed soldiers in the war zone for about 2 years or more. Donations like this help immensely. We collect, fundraise and ship packages to the war zones throughout the year. As of today, we have sent 10,080 packages from Otero County to troops in Iraq, Afghanistan and Haiti. We appreciate your support of our servicemen and women in harms way.

Sincerely yours,
