White Sands Construction,

We would like to take a moment of your time to thank you for your generosity of taking on the completion of our Vehicle Maintenance Pit at our New Fire Station #1 located at 541 Sudderth Drive. With out your thoughtfulness and generosity we would have never had the convenience of actually standing under our vehicles to maintain and do daily checks on them. Thank you again from all of us at the Ruidoso Fire Department and the Village of Ruidoso.

Respectfully,
