Dear Dennis,

You did it! We are extremely pleased that the exhibit building is ready for the Fair. We will have a Grand Opening on Wednesday, August 12<sup>th</sup>, at 4:00 p.m. and cordially invite you, along with Levi and Norman, and any other of your staff you would like to bring with you, to be there.

We now have a very functional building that will serve us for many years to come, and we have you and your company to thank for working with us over the past several months to make this a reality.

We hope you will be able to attend our Grand Opening.

Sincerely,
