To Whom It May Concern:

This letter is written in support of White Sands Construction. White Sands Construction has completed many projects for Otero County in recent years. The most current project is the new Otero County Office Complex located at 1104 N. White Sands Boulevard. Their work is of the highest quality and their staff and management are to be commended.

Otero County highly recommends White Sands Construction to meet any and all of your commercial construction needs.

Sincerely,

A handwritten signature in blue ink that reads "Ray Backstrom".
