Re: White Sands Construction, Inc.

It is with pleasure that I have the opportunity to recommend White Sands Construction, Inc. They have been customers of First National Bank in Alamogordo for two years and enjoy a good reputation in our community. They are valuable customers of First National Bank and I can assure you that any association you may have with them will be most satisfactory. They are highly respected in their industry and are known to provide quality products.

White Sands Construction, Inc. currently has three checking accounts at First National Bank with a combined average balance of a medium six figure. Although they currently do not have a line of credit, we would be happy to consider it should the need arise.

I would appreciate any favorable consideration you can give White Sands Construction, Inc. If I can be of further assistance please do not hesitate to contact me at (575) 437-4880. Thank you.

Sincerely,
