

**VICE PRESIDENT FOR ADMINISTRATION AND FINANCE**

July 09, 2012

To Whom It May Concern:

RECEIVED  
JUL 10 2012  
WHITE SANDS  
CONSTRUCTION, INC.

This letter is to formally document and acknowledge that White Sands Construction Inc. recently and successfully completed two major Capital improvement projects on the New Mexico Tech campus in Socorro, New Mexico.

The first project was a new Child Care facility with a construction cost of approximately \$1,500,000 and the other project was a major Mechanical system renovation to Macey Center for a construction budget of approximately \$1,205,000.

White Sands Construction while acting as the General Contractor on both projects provided very responsive and professional construction services to New Mexico Tech. White Sands Construction's on site construction managers and administrative support were indeed a pleasure to work with and provided excellent knowledge and communications in working with New Mexico Tech.

Upon the successful completion of the above mentioned projects White Sands Construction Inc. has proven to be a well qualified professional General Contractor.

Should you have further questions or require additional information, please do not hesitate to call me at (575) 835-6766.

Sincerely,

Miguel Hidalgo  
Director of Special Projects
