To whom it may concern,

Otero County Office of the County Manager would like to issue this letter of recommendation to Whitesands Construction Inc. for the project Timberon Volunteer Fire Station. Whitesands Construction was awarded the project in a competitive bid process on April 29, 2021. Their professionalism throughout the project was very commendable and their project staff worked closely with the design firm and the county to complete the project on schedule. Their management staff had great communication and attention to detail which resulted in the county receiving a project that suits all of our needs for our emergency services.

Sincerely,

Trent Parker  
Project Manager  
County of Otero
