

FAMILY OF COMPANIES

To Whom It May Concern,

I am writing to recommend Catlin Curry and his company White Sands Construction for additional construction services with future prospective clients. I have had the pleasure of working directly with Mr. Curry most recently at our new Titlemax Alamogordo NM 1 location in Alamogordo, NM. The scope of work for this project involved the tenant upfit of an existing pizza parlor that was in extremely poor condition. White Sands Construction scope of work involved miscellaneous carpentry, finishes, and full upgrade of the HVAC systems.

White Sands Construction illustrated their attention to detail, quality, and knowledge on many occasions. Scheduling within the construction industry is typically an art form in itself, and Mr. Curry has been able to effectively meet project schedule requirements. He and his team have been able to quickly adapt to schedule changes from unforeseen circumstances in order to keep his schedule on time and aligned with our over all project schedule. White Sands Construction has been exceptionally accommodating with these unforeseen conditions and potential change orders.

Please consider White Sand Construction for your construction service needs. I recommend them and look forward to working with them again in the future.
