To Whom This May Concern,

I have worked with White Sands Construction, Inc. on two projects, @ WMMU for the Early Childhood Development Center and more recently, on the HVAC and Roofing Renovation for Truth or Consequences Elementary School.

I've been very pleased with the job White Sands did on both projects and would recommend them for future construction work.

Please contact me directly should you have further questions.

Sincerely,

GARY YABUMOTO, AIA, LEED AP
