This letter is to document that White Sands Construction recently completed:
Boys & Girls Club Improvements Project -CDBG Project No. 18-C-NR-I-01-G-14 - Bid No.
ITB-20-006.

This was project was improvements to the Boys & Girls Club and scope of work included:
new gymnasium floor, upgrade lighting to LED, roof replacements of partial building, interior
painting, repaving parking lot, sidewalk, ADA ramps, interior flooring, HVAC installations, and
more. Project cost was \$1,112,479.

Contractor completed work in a timely manner and quality was satisfactory. Currently, we are in
the one year warranty period, and White Sands Construction has responded promptly to any
concerns.

I recommend White Sands Construction Co. Inc. for this type of work and would certainly do
additional work with them.
