RE: First Savings Bank – T or C, NM

Catlin,

I just wanted to send you a quick note, thanking you and your team for a job well done in T or C. The new building turned out wonderful and it has been a joy working with each of you during this process.

I'm especially grateful to have had the opportunity to work with your Project Manager, Steve Malett. Steve is extremely professional and works for the benefit of the customer as well as your company. This job was brought in a head of schedule and Steve made sure that my staff was happy throughout the process.

Steve is definitely an asset to White Sands Construction and it would be a pleasure to do another project with him.

Again, thank all the team members involved in this process from me. The project was handled very professionally and to my satisfaction.

Sincerely,

Daryl Lindsay
