To whom it may concern:

I am writing this letter to thank your company, White Sands Construction, Inc. (WSCI) for the job well done on completing the City of Alamogordo's Family Entertainment Center. Within the twelve months of the construction project, WSCI has shown diligence and dedication to completing the project on time and within budget.

Even though there have been several issues during the course of the construction project, WSCI was able to maintain the efficiency of the project. Your attention to the specifics of the construction as well as proper scheduling has been very remarkable, resulting to a job well done.

Again, I would like to express my gratitude in providing your 100% in completing the City of Alamogordo's newest attraction. I would not hesitate to refer White Sands Construction, Inc. to other organizations who are also in need of quality services from a contractor.

Sincerely,

Edward Balderrama,
Project Manager
