To Whom It May Concern:

My name is Adam Stokes with Lost Mesa, Inc. We recently had the pleasure of working with White Sands construction on our project for a new Taco Bell in Ruidoso, NM. They came highly recommended from Taco Bell Corporate development.

This was our first go at new construction as we're a one store operation. They were highly knowledgeable as to the process which helped us greatly. They answered any questions we had or concerns and addressed them immediately. Levi Williamson was always on top of deadlines that needed done as well as the foreman Mike Ford. Next time we build any commercial building they'll definitely be the ones we have do the project.

Thanks  
Adam Stokes
