Re: White Sands Construction Inc.

To Whom It May Concern:

We are pleased to offer this letter of recommendation on behalf of White Sands Construction Inc. As their surety agent, we have established credit approximating \$15,000,000 on single projects with a \$25,000,000 aggregate. These are only general parameters and we would be pleased to respond to any reasonable request on their behalf.

White Sands Construction Inc. has a tremendous reputation for completing projects on time and providing quality construction to a wide variety of owners. We have provided surety bonds for this account for over 15 years. Well over \$100,000,000 in construction contracts have been bonded. We highly recommend White Sands Construction Inc. for this project.

Should you have any questions, please feel free to contact me.

Sincerely,

John M. Rindt
