White Sands Construction, Inc.  
1700 Tenth Street  
Suite A  
Alamogordo, NM 88311

Dear Sir or Madam:

The purpose of this letter is to express my great appreciation for the absolutely exceptional work your employees accomplished while installing six piers under the east wall of my home. The work they performed was unbelievable, especially since they had to hand dig a 4 foot by 4 foot hole some 6 feet deep for each pier. The fact that they accomplished this demanding manual task in only 2 days was unbelievable. My contacts with your employees revealed them to be polite, helpful, and extremely knowledgeable in every case. The fact that Dennis was ultimately able to successfully raise the house approximately 1-1/4 inches and also close the 5/8<sup>th</sup> inch crack between the exterior brick wall and the garage door molding made the job perfect.

Again, thank you for a job that was extremely well done. I certainly won't hesitate to recommend White Sands Construction to any of my friends who need repair or new construction work performed on their homes or businesses.

Sincerely;

  
RICHARD S. REID, JR.
