

John R. Onyskow/For the *Daily News*

From left, Becky McFarland, Otero County Fairgrounds manager; Levi Williamson, acting site foreman for White Sands Construction; and subcontractor Glenn Mainz of Mainz Electric check progress on demolition of three buildings at the fairgrounds. The \$1.1 million rebuilding project will result in a new 20,000-square-foot multi-use building that doesn't leak in time for the 2009 fair.
